

## Versatile A4 mono and colour printer for your small workgroup

Compact, economical and fully networkable, the new C130n is the perfect addition to your small/home office. Delivering fast A4 mono printing with the added convenience of low-cost professional colour and media flexibility, small workgroups of 2-3 users can now benefit from effortless in-house printing.

The C130n has been built for ease of use with an intuitive LCD user interface, printing the documents you need couldn't get any easier. In addition, an expandable paper capacity of up to 700 sheets keeps user intervention to a minimum.

Benefiting from Energy Star compliance, and with duplex as an option your carbon footprint and energy bills can be kept to a minimum.

In addition, by registering this product for OKI Printing Solutions unique three-year extended warranty, you can have the peace of mind that we will support the success of your business with this product long into the future, at no cost to you.

### Versatile and Affordable

- Low cost and reliable making the C130n risk-free business decision
- Front LCD display panel and intuitive user interface for ease of use
- Compact design fits neatly into any workspace
- Fast 20 pages per minute A4 mono and 5 pages per minute A4 colour
- PCL/PostScript for operating system flexibility
- Handles heavier paper weights for more flexible media capability
- Extended three-year warranty for total peace of mind

### Flexible Performance

- Fully networkable to enable you to easily connect with other users, allowing your business to adapt and grow
- Optional second tray increases paper capacity to 700 sheets
- Duplex option offers double-sided printing, ideal for producing booklets and brochures and also reducing paper use, saving you money and limiting the impact on the environment
- A 256MB memory and a processor speed of 400MHz ensures even the larger print jobs are handled with ease

<sup>1</sup> Check local OKI Printing Solutions website for latest driver releases & OS Compatibility

<sup>2</sup> Includes all consumables

## Consumables

For the protection of your printer, and in order to ensure that you benefit from its full functionality, this model has been designed to operate only with genuine OKI Printing Solutions toner cartridges. These can be identified by the OKI trademark. Any other toner cartridge may not operate at all, even if it is described as "compatible", and if it does work, your printer's performance and print quality may be degraded.

Description	Life (pages)	Order Numbers
