

Speed, quality, reliability and elegance. Perfect for your large workgroup

When space is at a premium and workgroup performance is a must, look no further than the C710 A4 colour printer.

The compact and elegant design of this product hides the fact that it is a robust and powerful workgroup printer delivering 30 colour and 32 mono pages per minute (ppm). A powerful 700MHz processor and generous memory further enhances productivity as the C710 powers through complex images and large print jobs.

Benefiting from award-winning single-pass digital LED technology the C710 delivers superb image quality, speed and reliability. A flat paper path provides the ability to print on a wide range of paper sizes, weights and media types. Easy to install and use, with a fully featured back-lit operator panel everything about the network ready C710 has been designed with the workgroup user in mind.

With serious print performance, outstanding reliability and low running costs the C710 makes the ideal printer for large workgroups or high print volume applications.

Outstanding speed. Superior quality.

- No need to compromise on speed and quality – the C710 offers both
- Excellent print speed of 30ppm colour/32ppm mono to maximise productivity
- High Definition Color technology ensures superior print results

Prints perfectly on a variety of media.

- Prints on a range of media from 64gsm up to 220gsm
- Handles banners up to 1.2m in length
- Duplex (optional on C710n) for double-sided printing

Built to keep work flowing.

- An impressive duty cycle ensures smooth, trouble-free working
- High capacity toner cartridges – more printed pages, less user intervention
- Extra paper trays for total capacity of 1690 sheets

Protects data. Prevents excess use.

- Safeguard confidentiality and prevent unauthorised usage
- Easy to monitor and control printing costs
- Print Control imposes rules on how the printer is used
- Secure Erase protects documents from being accessed and re-printed by safely erasing files on the Hard Disk Drive
- Secure Print encrypts files sent via the network ensuring office critical information is kept confidential. Optional Hard Disk required.

Simple to work with.

- Easy to use by any member of the workgroup
- Enhanced LCD display panel provides user-friendly clear instructions
- Simple easy-to-change consumables

¹ Check local OKI Printing Solutions website for latest driver releases & OS Compatibility. ² Includes all consumables. ³ Hard Disk Drive required.

⁴ To qualify for the extended 3 year warranty, register your product online at www.okiprintingsolutions.co.uk/warranty. Without registration, the standard pan-European 1 year warranty applies.

Consumables Information: For the protection of your printer, and in order to ensure that you benefit from its full functionality, this model has been designed to operate only with genuine OKI Printing Solutions toner cartridges. These can be identified by the OKI trademark. Any other toner cartridge may not operate at all, even if it is described as "compatible", and if it does work, your printer's performance and print quality may be degraded.

Description	Life*(pages)	Order Numbers			
Toners	11,000 mono/11,500 colour	Cyan: 43866107	Magenta: 43866106	Yellow: 43866105	Black: 43866108
