

All in one solution for your everyday business needs

Fast, versatile and highly cost effective the network ready MB290 delivers printing, copying, faxing and scanning for all to share. You can print high quality mono documents using PCL/ PostScript at an impressive 20 pages per minute. And with a 50 sheet automatic document feeder copying or faxing multi pages documents is quick and easy. Colour scanning provides an efficient document management solution, allowing documents to be digitally archived directly on the network or sent by email.

Add to this OKI Printing Solution's unique 3 year warranty and competitive running costs and the MB290 offers both peace of mind and real value for money.

For high efficiency working in the small office, sit back and let the MB290 take the load

Everything the office needs

- High quality mono printing, copying, faxing and colour scanning
- Desktop design fits neatly in the office
- Easy to use and program with its comprehensive operator panel and QWERTY style keyboard
- A 50 sheet automatic document feeder makes sending and copying multi-page documents easy and efficient
- Supports a wide range of media including address labels, CD labels, letters and envelopes

Fast and efficient working

- A 20ppm print engine and 250 sheet paper tray easily handles the workload of multiple users
- Super G3 faxing delivers documents fast, accurately and economically
- 250 Speed Dials including 26 One Touch keys puts frequently called numbers at your fingertips
- Network interfacing as standard provides efficient sharing of resources
- LDAP support allows quick and easy integration into systems with central email servers
- Supports MS Windows (including Vista), MAC and Linux operating systems

Making life easy

- Quickly program fax numbers, allocate one touch keys and manage the MB290 from your desktop with Companion Suite Pro software (Windows only)
- PaperPort software makes cleaning, editing and saving scanned documents in different formats quick and easy
- A wireless interface option provides easy connection and sharing flexibility

² Print only

³ Includes all consumables

Specification subject to change without notice. All trademarks acknowledged.

Consumables

For the protection of your printer, and in order to ensure that you benefit from its full functionality, this model has been designed to operate only with genuine OKI Printing Solutions toner cartridges. These can be identified by the OKI trademark. Any other toner cartridge may not operate at all, even if it is described as “compatible”, and if it does work, your printer’s performance and print quality may be degraded.

Description	Life (pages)	Order Numbers
Toners cartridges*	3,000	01239901
	5,500	01240001

* All toners: A4 pages yield compliant with ISO/IEC 19752 coverage. Printer shipped with 2,000 pages yield at ISO/IEC 19752 coverage.

3-Year Return to Base Warranty

Our devices are manufactured to the highest standards of quality and technology, which has been confirmed by independent tests. We are so convinced of the high quality of our products that we are offering you an extension of the standard warranty period to 3 years at no extra cost to you. Simply register your product within 30 days of purchase to be eligible for our unique all inclusive offer. For further information please visit: www.oki.co.uk/warranty

Without registration, the standard pan-European 1 year return to base warranty applies.
